Hygeia Medical

HYGEIA INSTRUMENTS (MALAYSIA) SDN BHD

Malaysian Company Number 1331807-W

INTRODUCTION

02

Hygeia Instruments (Malaysia) Sdn Bhd is the authorised representative, sole importer and chief distributor of Hygeia Medical branded surgical instruments in Malaysia, with MDA license number MDA-1590-WDP121.

The Bumiputra-status company with registered office in Selangor and principal place of operations in Penang is further authorised to participate in public and government tenders with CIDB B0102202008250001070882

In addition to supplying Hygeia Medical instruments to the Malaysian market, the company also functions as regional hub for Hygeia Medical's ASEAN operations. In this capacity Hygeia Instruments provides quality control and trans-shipment services as well as centralized instrument service and repair management, after sales services, and finance options liaison.

Through it's connections in the industry and due to it's location in the major regional medical manufacturing hub of Penang, the company also acts as purchasing agent and components and device supplier to customers in Europe, the United States and the Middle East.

HYGEIA MEDICAL LIMITED, EIRE

Irish Company Reg.No. 616490

Hygeia Medical Limited Ireland is the principal supplier of Hygeia Medical branded instruments, as well as of a number of other reputable brands from Germany, Turkey, Korea, Taiwan, etc. to partners and associates in the ASEAN region.

Originally named Clearview Europe Limited, the company was purchased by it's current owners in 2017 for the express purpose to distribute general and proprietary surgical instruments in the ASEAN countries and offer technology transfer and medical finance innovations to associates and partners across the region.

In 2019 one of the partners also established a presence in Germany (**Hygeia Medical Instruments Bocholt**) to serve as liaison to German suppliers and also establish distribution links for devices, components, and medical consumables sourced from manufacturers in ASEAN countries.

Hygeia Medical

HYGEIA MEDICAL IS MORE THAN A SUPPLIER OF MEDICAL INSTRUMENTS

Expertise

Hygeia Medical has some of the most experienced and reputable experts in the field among its associates, partners and suppliers

Experience

Hygeia Medical is working with people with combined centuries of experience in the fields of manufacturing, maintenance and repair of surgical instruments in the ASEAN region.

Reliability

Hygeia Medical is being relied on by medical professionals from the around the ASEAN region as their quality supplier of choice.

Commitment

Hygeia Medical is committed to becoming the regional standard for affordable quality instruments and to "work global but act local" by sharing know-how and expertise with our local partners.

Quality Management Systems

HYGEIA MEDICAL LTD AND OUR SUPPLIERS ARE ISO AND CE CERTIFIED

Hygeia Medical Ltd

Hygeia Medical is ISO 9001:2015 (IE90692A thru 24/11/2023) and ISO 13485:2016 (IE90692H thru 24/11/2023) certified by LMS Certification Ltd of Manchester, England.

Hygeia Instruments (Malaysia) Sdn Bhd

Hygeia Instruments is GDPMD(MYG11206674 thru 15/11/2021) certified for import, distribution, storage and documentation of medical devices by CARE Certification International (M) Sdn Bhd of Selangor, Malaysia. Concepts for additional certifications are being implemented step by step

Third Party Suppliers

As a rule all our third party suppliers are ISO certified and compliant, hold the required CE declarations and provide full documentation for all deliveries. All instruments are again individually inspected by Hygeia Quality Control and lodged prior to shipping.
